

Issued by Notified Body No. 0402 according to Regulation (EU) 2016/425 annex V, regarding:

Filtering half masks to protect against particles

Issued to

MaskMakers Sweden AB

Förrådsvägen 23, SE-741 30 Knivsta, Sweden

Product description and product name

Filtering half masks to protect against particles, complying with EN 149:2001+A1:2009.

Product name: *MM-HM-401* For details, see appendix.

Technical documentation

The manufacturer's technical file, latest dated 2022-04-07.

Certificate

RISE Research Institutes of Sweden AB, Notified Body no. 0402, hereby certifies that the manufacturer's technical file and the product have been inspected in accordance with the procedure described in annex V to regulation (EU) 2016/425 and found to fulfil the requirements. The product is judged to belong to category III according to annex I to the regulation. It is a prerequisite that manufactured products, or the manufacturing process must be inspected in accordance with annex VII or VIII of the Regulation (EU) 2016/425. The EU Type-Examination is based on a type test in accordance with EN 149:2001+A1:2009. RISE Certification Rule SPCR 309 issue 2021-12-21 has been applied.

Miscellaneous

The manufacturer's information in English on use, cleaning, storage etc. has been inspected and found to fulfil the relevant requirements of the regulation. This information must be available in the language used where the product is to be sold.

Marking

The product shall be marked: "FFP2 NR".

Validity

The certificate remains valid as long as the conditions laid down in the harmonized standard(s) in reference are not modified significantly or at the latest until 2027-04-10. The validity of this certificate can be verified by RISE.
